Vorbedingung

Vorbedingung – MagicInfo Server

- Rufen Sie die URL auf und folgen Sie den Anweisungen zur Installation von MagicInfo Server.

Verbindung

Verbinden des XDS-1078/M
mit MagicInfo Server

Verbindung – 1 / 5

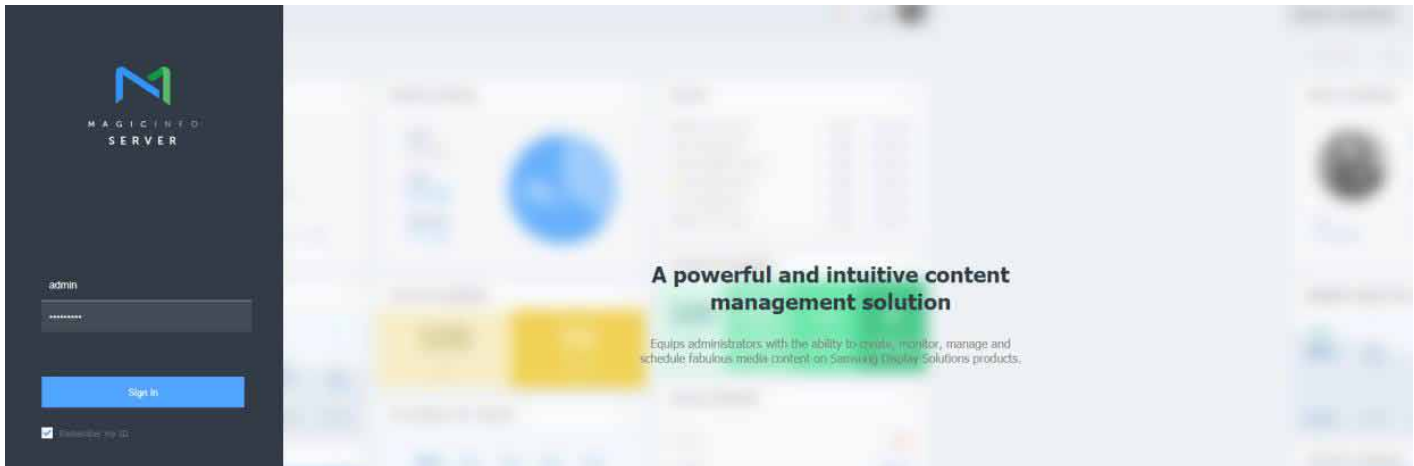

Bedienschritte am XDS-1078/M

- Eingabe der Daten für MagicInfo Server
 - URL
 - Port No.
- Herstellen der Verbindung
(→ „Connect“)

Verbindung – 2 / 5

Melden Sie sich über einen PC-Browser bei MagicInfo Server an.

Verbindung – 3 / 5

Genehmigen Sie das Gerät (→ „Approve“).

The screenshot shows the 'Device' management interface. The left sidebar contains navigation options: Content, Playlist, Schedule, and Device (highlighted with a red box). The main area displays a table of unapproved devices. The 'Approve' button for the first device is highlighted with a red box.

Device Name	MAC Address	IP	Device Model Name	Device Serial	Registered
idea_XDS-1078	2c-c5-48-00-91-74	192.168.1.214	XDS-1078		about 3 minutes ago (2018-07-23 15:56)

Verbindung – 4 / 5

Geben Sie die Gerätedaten ein.

The screenshot displays the 'Device' management interface in the Idea software. A modal dialog box titled 'Approve Device' is open, allowing the user to approve a specific device. The dialog contains the following fields:

- Device Name: XDS-1078M
- Device Group: default
- Location: Italy-Retail HQ
- Expired: 2018-07-23 (with a checked 'Never Expire' option)

Buttons for 'OK' and 'Cancel' are located at the bottom of the dialog. The background interface shows a table of devices with columns for Device Name, MAC Address, IP, Device Model Name, Device Serial, and Registered. The device 'Idea_XDS-1078' is selected, and the 'Approve' button is visible above the dialog.

Verbindung – 5 / 5

Die Verbindung mit MagicInfo Server wird hergestellt.

The screenshot displays the MagicInfo management interface. On the left is a dark sidebar with navigation icons for Content, Playlist, Schedule, Device (highlighted with a red box), Statistics, User, and Setting. The main area is titled 'Device' and shows a list of devices. The 'All' filter is selected and highlighted with a red box. A table lists device details, with the first row highlighted and its 'Device Name' column also highlighted with a red box. The table has columns for Device Name, MAC Address, IP, Device Model Name, Applied Version, and Approval Date. At the bottom, there is a pagination control showing '1 - 1 / 1' and a dropdown menu set to '30'.

Device Name	MAC Address	IP	Device Model Name	Applied Version	Approval Date
XDS-1078M	2c-c5-48-00-91-74	192.168.1.214	XDS-1078	V1.0 NA-MIAP-1001.0	2018-07-23 16:14

Inhalt

Inhalte hochladen

Inhalt – 1 / 3

Laden Sie Inhalte hoch (→ „Upload Content“).

The screenshot displays the 'Content' management interface. On the left, a sidebar contains navigation icons for 'Content', 'Playlist', 'Schedule', and 'Device'. The main area shows a 'Content' page with a 'Create Content' button and a 'New' dropdown menu. The 'New' menu is open, highlighting 'Upload Content'. Below the menu, a table lists content items with columns for 'Content', 'Content Name', 'Details', 'Supported Devices', and 'Date Modified'. The 'Upload Content' menu item is highlighted with a red box, and the 'New' button is also highlighted with a red box.

Content	Content Name	Details	Supported Devices	Date Modified

Inhalt – 2 / 3

Fügen Sie Inhalte hinzu (→ „Add Content“), und beginnen Sie den Hochladevorgang (→ „Start Upload“).

The screenshot displays the 'Content' management interface. A modal dialog titled 'Upload Content' is open, showing a file input field with the text '0/1 File'. Below the input field is a 'Details' section containing several buttons: 'Add Content', 'Start Upload', 'Category', 'Delete', and 'Cancel'. The 'Add Content' and 'Start Upload' buttons are highlighted with red boxes. Below the buttons is a table with the following data:

File Name	Group	Category	File Size	Status
1078M-advert-1.png	Default	None	31 MB	

Inhalt – 3 / 3

Die Inhalte werden hochgeladen.

The screenshot displays the 'Content' management interface. A modal window titled 'Upload Content' is open, showing a progress bar for '1/1 File' at 100%. Below the progress bar, there are buttons for 'Add Content', 'Size', 'Category', 'Delete', and 'Close'. A table lists the uploaded file:

File Name	Group	Category	File Size	Status
1078M-advert-1.png	Default	None	31 MB	100%

The background interface includes a sidebar with navigation options like 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'. The main content area shows a list of items with columns for 'Supported Devices' and 'Date Modified'.

Wiedergabeliste

Wiedergabeliste erstellen

Wiedergabeliste – 1 / 5

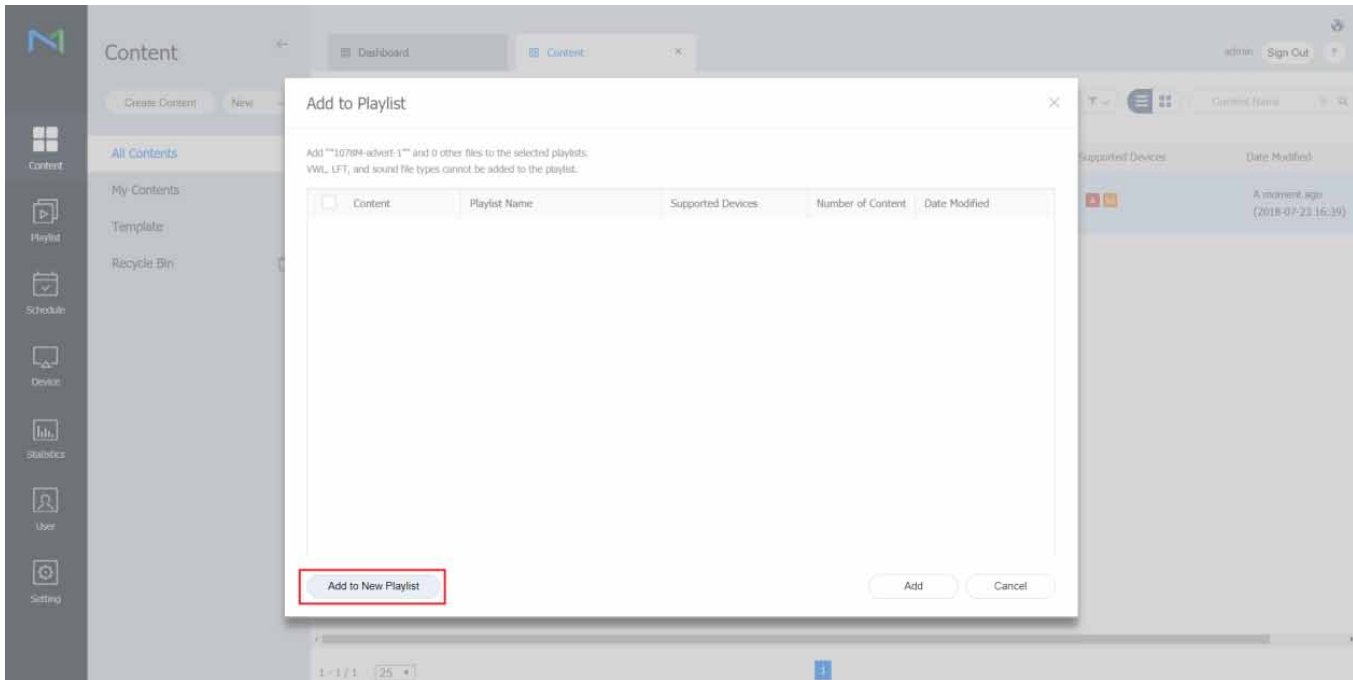

Wählen Sie die gewünschten Inhalte aus, indem Sie das zugehörige Kontrollkästchen aktivieren, und fügen Sie sie der Wiedergabeliste hinzu (→ „Add to Playlist“).

The screenshot displays the 'Content' management interface. On the left, a dark sidebar contains navigation icons for 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'. The 'Content' icon is highlighted with a red square. The main area shows a table of content items. The 'Add to Playlist' button in the top toolbar is also highlighted with a red square. The table contains one item: '1078M-advert-1', which is an image file (31 MB) supported by devices, modified 'A moment ago (2018-07-23 16:39)'. A checkmark in a red square is placed in the selection column next to this item. The bottom of the interface shows pagination information: '1-1/1' and a dropdown menu set to '25'.

Content	Content Name	Details	Supported Devices	Date Modified
<input checked="" type="checkbox"/>	1078M-advert-1	IMAGE 31 MB		A moment ago (2018-07-23 16:39)

Wiedergabeliste – 2 / 5

In neue Wiedergabeliste hinzufügen (→ „Add to New Playlist“).

Wiedergabeliste – 3 / 5

Wählen Sie „Android Player“ und „General“.

The screenshot displays the 'Content' management interface. A 'New Playlist' dialog box is open, showing the following configuration:

- Supported Devices:** A dropdown menu with 'Android Player' selected and highlighted by a red box.
- Playlist Type:** A dropdown menu with 'General' selected and highlighted by a red box.
- Buttons:** 'Create' and 'Cancel' buttons are located at the bottom right of the dialog, with 'Create' highlighted by a red box.

The background interface shows a table of content items. The first row is visible:

Content	Content Name	Details	Supported Devices	Date Modified
<input checked="" type="checkbox"/>	1078M-advert-1	IMAGE 11 MB		A moment ago (2018-07-23 16:39)

Wiedergabeliste – 4 / 5

Speichern Sie die Wiedergabeliste (→ „Save“).

The screenshot displays a web application interface for managing a playlist. The main window is titled 'Playlist' and has a navigation bar with 'Dashboard', 'Content', and 'New Playlist' tabs. A 'Save' button is highlighted with a red box. A 'Save' dialog box is open in the foreground, containing the following fields and options:

- Playlist Name:** [New Playlist] 2019-07-23 16:41:28 (highlighted with a red box)
- Group:** default (highlighted with a red box)
- Shuffle:** Off On
- Share:** On Off
- Description:** (empty text area)
- Buttons:** Save (highlighted with a red box) and Cancel

Wiedergabeliste – 5 / 5

Eine Wiedergabeliste wird erstellt.

The screenshot displays the 'Playlist' management interface. On the left, a dark sidebar contains navigation icons for Content, Playlist (highlighted with a red box), Schedule, Device, Statistics, User, and Setting. The main area shows a 'Playlist' view with a '+ New Playlist' button. Below this, a table lists existing playlists. A new playlist entry is highlighted with a red box, showing a thumbnail of a group of people and the name '[New Playlist] 2018-07-23 16:41:26'. The table has columns for Content, Playlist Name, Details, and Supported Devices. The Details column for the new playlist shows '31 MB', '00:00:05', and 'General'. The Supported Devices column shows a red 'X' icon. At the bottom, there is a pagination control showing '1 - 1 / 1' and a dropdown menu set to '25'.

Content	Playlist Name	Details	Supported Devices
	[New Playlist] 2018-07-23 16:41:26	31 MB 00:00:05 General	

Zeitplan

Neuen Zeitplan hinzufügen

Zeitplan – 1 / 8

Fügen Sie einen neuen Zeitplan hinzu (→ „New Schedule“), und wählen Sie „Content“.

The screenshot displays the 'Schedule' management interface. On the left sidebar, the 'Schedule' menu item is highlighted with a red box. In the main content area, the 'New Schedule' button is highlighted with a red box, and its dropdown menu is open, showing 'Content' as the selected option. The main content area shows a table with the following columns: Schedule Name, Details, Supported Device Type, Device Group, Device Use, and Publish. The table is currently empty, displaying 'No data available in table'.

Zeitplan – 2 / 8

Wählen Sie „Android Player“ und dann „Create“.

The screenshot shows the 'Create Schedule' dialog box in the Idea software. The dialog has a title bar with 'Create Schedule' and a close button. It contains two main sections: 'Supported Devices' and 'Schedule Type'. In the 'Supported Devices' section, 'Android Player' is selected and highlighted with a red box. In the 'Schedule Type' section, 'General' is selected. At the bottom right of the dialog, the 'Create' button is highlighted with a red box, and the 'Cancel' button is also visible. The background shows the 'Schedule' page of the software interface with a table that is currently empty.

Zeitplan – 3 / 8

Wählen Sie „Content“ und „Playlist“.

The screenshot shows the 'Create Schedule' interface. The sidebar on the left contains navigation icons for Content, Playlist, Schedule, Device, Statistics, User, and Setting. The top navigation bar includes tabs for Dashboard, Content, Playlist, All, and Create Schedule. The main area displays a weekly schedule grid for July 22-28, 2018. The 'Content' and 'Playlist' options in the sidebar are highlighted with red boxes. The schedule grid shows a yellow highlighted area for Monday, July 23, 2018, from 06:00 to 18:00.

Zeitplan - 4 / 8

Ziehen Sie die Wiedergabeliste in den Kalender.

The screenshot shows the 'Create Schedule' interface. On the left sidebar, there are icons for Content, Playlist, Schedule, Device, Statistics, User, and Setting. The main area displays a calendar for July 22-28, 2018. A red arrow indicates the action of dragging a 'New Playlist' thumbnail from the sidebar to the calendar grid. The playlist thumbnail is now placed in the 08:00 slot for Monday, July 23, 2018.

16:00							
17:00							
18:00							

Zeitplan – 5 / 8

Konfigurieren Sie den Zeitplan, und speichern Sie die Daten (→ „Save“).

The screenshot shows the 'Create Schedule' interface. A modal window is open with the following configuration:

- Content:** [New Playlist] 2018-07-23 16:41:26
- Playback Date:** 2018-07-23 (range: 2018-07-23 to 2999-12-31)
- Repeat:** Daily
- Playback Time:** 00:00:00 to 23:59:59 (checked for 24 hours)

The 'Save' button is highlighted with a red box. The background shows a calendar view for July 22-28, 2018, with a 'New Playlist' card on the left sidebar.

Zeitplan – 6 / 8

Speichern Sie den Zeitplan (→ „Save“).

The screenshot displays the 'Create Schedule' interface. At the top, there are tabs for 'Dashboard', 'Content', 'Playlist', 'All', and 'Create Schedule'. The 'Create Schedule' tab is active, showing a 'Save' button highlighted with a red box and a 'Cancel' button. The interface includes a search bar, a date range selector set to 'Jul 22 - 28, 2018', and view options for 'Daily', 'Weekly', 'Monthly', and 'List'. The main area is a weekly grid with columns for each day from Sunday to Saturday. The time slots range from 00:00 to 12:00. A playlist is scheduled from 00:00 to 02:59 on Monday through Saturday. The playlist is titled '[New Playlist] 2018-07-23' and has a duration of 23:59. The 'Save' button is highlighted with a red box.

Zeitplan - 7 / 8

Legen Sie die Daten für „Schedule Group“ und „Publish to“ fest, und speichern Sie die Daten (→ „Save“).

The screenshot displays the 'Create Schedule' interface. A 'Save' dialog box is open in the center, with the following fields and values:

- Schedule Name:** [NEW Schedule] 2018-07-23 18:45:56
- Schedule Group:** DefaultOrig - default
- Publish to:** default
- Description:** (empty field)
- More Options:** (collapsed)
- Buttons:** Save, Cancel

The background interface shows a calendar view for July 22-28, 2018, with a 'New Channel 1' frame and a 'Frame' dropdown. The 'Save' button in the dialog is highlighted with a red box.

Zeitplan – 8 / 8

Speichern Sie den Zeitplan (→ „Save“).

The screenshot displays the 'Schedule' management interface. The top navigation bar includes 'Dashboard', 'Content', 'Playlist', and 'All'. The left sidebar contains icons for 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'. The main content area shows a table of schedules. The table has the following columns: 'Schedule Name', 'Details', 'Supported Device Type', 'Device Group', 'Device Use', and 'Publish Status'. A single schedule entry is listed with the name '[NEW Schedule] 2018-07-23 16:45:56', '1' in the Details column, 'General' in the Supported Device Type column, 'default' in the Device Group column, '1' in the Device Use column, and 'Published' in the Publish Status column. The 'Published' status is highlighted with a red box. The bottom status bar shows '1 - 1 / 1' items and '100%' completion.

Schedule Name	Details	Supported Device Type	Device Group	Device Use	Publish Status
[NEW Schedule] 2018-07-23 16:45:56	1	General	default	1	Published

Gerätedaten überprüfen

Gerät - 1 / 2

Klicken Sie auf das Gerät.

The screenshot shows the 'Device' management interface. The left sidebar contains navigation options: Content, Playlist, Schedule, **Device** (highlighted with a red box), Statistics, User, and Setting. The main area shows a table of devices with the following data:

Information	Time	Setup	Display Control	Security	
Device Name	MAC Address	IP	Device Model Name	Applied Version	Approval Date
XDS-1078M	2c-c5-48-00-91-74	192.168.1.214	XDS-1078	V1.0 NA-MIAP-1001.0	2018-07-23 16:14

Gerät - 2 / 2

Geräteinfo („Device Info.“) und momentan wiedergegebene Inhalte („Now Playing Content“) können hier überprüft werden.

The screenshot displays the 'Device' management interface in the Idea software. A modal window titled 'XDS-1078M' is open, showing details for a specific device. The modal has a tabbed interface with 'Device Info.' selected. It includes a video player for 'Ch.1' with a 'Screen Capture' checkbox. The device information is as follows:

Schedule:	[NEW Schedule] 2018-07-23 16:45:56
Content:	
Message:	-
Device Type:	ANDROID PLAYER
Group:	DefaultOrg > default
MAC Address:	2c:c5-48-00-91-74
Firmware Version:	V1.0 NA-MIAP-1001.0
Available Capacity:	6.43 GB
IP:	192.168.1.214
Device Model Name:	XDS-1078

At the bottom of the modal, there are buttons for 'Memo', 'Edit', 'Remote Control', and 'Close'. The background interface shows a sidebar with navigation options like Content, Playlist, Schedule, Device, Statistics, User, and Setting, and a main area with tabs for Dashboard, Content, Playlist, All, and Device.

Vielen Dank.
