# Vorbedingung

## Vorbedingung – MagicInfo Server

- Rufen Sie die URL auf und folgen Sie den Anweisungen zur Installation von MagicInfo Server.

# Verbindung

Verbinden des XDS-2288/M  
mit MagicInfo Server

## Verbindung – 1 / 5

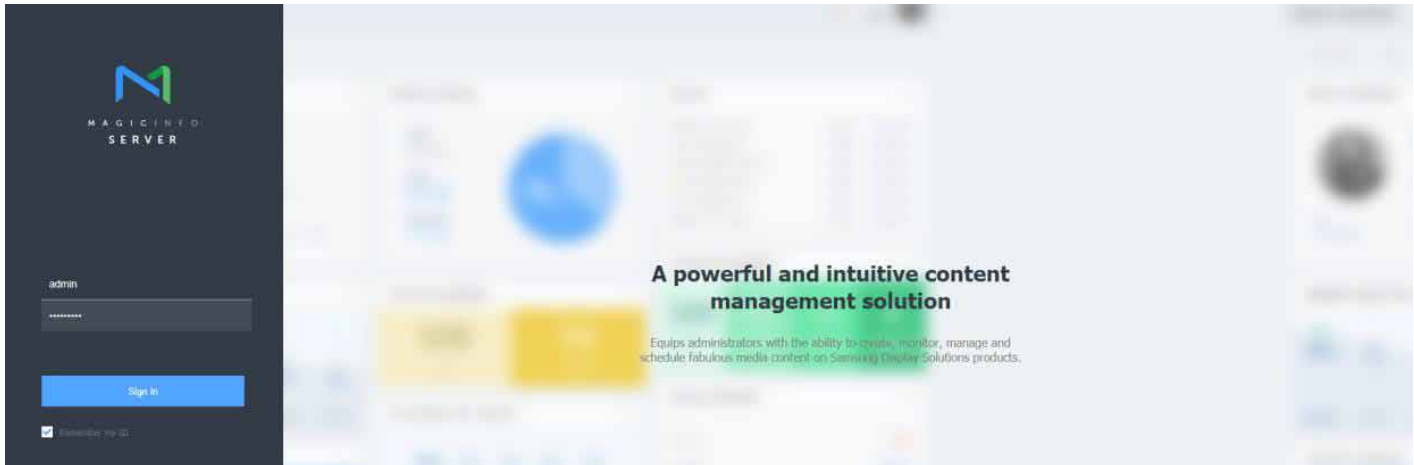

### Bedienschritte am XDS-2288/M

- Eingabe der Daten für MagicInfo Server
  - URL
  - Port No.
- Herstellen der Verbindung  
(→ „Connect“)

## Verbindung – 2 / 5

Melden Sie sich über einen PC-Browser bei MagicInfo Server an.

## Verbindung – 3 / 5

Genehmigen Sie das Gerät (→ „Approve“).

The screenshot shows the 'Device' management interface. The left sidebar contains navigation options: Content, Playlist, Schedule, and Device (highlighted with a red box). The main area displays a list of devices under the 'Unapproved' tab (also highlighted with a red box). A table lists the following device:

Device Name	MAC Address	IP	Device Model Name	Device Serial	Registered
idea_XDS-1078	2c-c5-48-00-91-74	192.168.1.214	XDS-1078		about 3 minutes ago (2018-07-23 15:56)

Buttons for 'Approve', 'Delete', and 'Export' are visible above the table. The 'Approve' button is highlighted with a red box. A search bar at the top right contains the text 'Device Name, MAC, IP, Model, Firmware'.

## Verbindung – 4 / 5

Geben Sie die Gerätedaten ein.

The screenshot displays the 'Device' management interface in the Idea software. A modal dialog box titled 'Approve Device' is open, allowing the user to configure settings for a specific device. The background shows a table of devices, with one device selected and its details visible in the main area.

**Approve Device Dialog Box Fields:**

- Device Name: XDS-1078M
- Device Group: default
- Location: Italy-Retail HQ
- Expired: 2018-07-23   Never Expire

**Background Table Data:**

Device Name	MAC Address	IP	Device Model Name	Device Serial	Registered
Idea_XDS-1078			XDS-1078		about 3 minutes ago (2018-07-23 15:56)

## Verbindung – 5 / 5

Die Verbindung mit MagicInfo Server wird hergestellt.

The screenshot displays the 'Device' management page in the Idea software. The interface includes a sidebar with navigation options: Content, Playlist, Schedule, Device (highlighted with a red box), Statistics, User, and Setting. The main content area shows a list of devices under the 'All' filter (also highlighted with a red box). A table lists device details, with the first row highlighted and its 'Device Name' cell (XDS-1078M) also highlighted with a red box. The table columns are: Device Name, MAC Address, IP, Device Model Name, Applied Version, and Approval Date. The bottom of the page shows pagination information: '1 - 1 / 1' and a dropdown menu set to '30'.

Device Name	MAC Address	IP	Device Model Name	Applied Version	Approval Date
XDS-1078M	2c-c5-48-00-91-74	192.168.1.214	XDS-1078	V1.0 NA-MIAP-1001.0	2018-07-23 16:14

# Inhalt

Inhalte hochladen

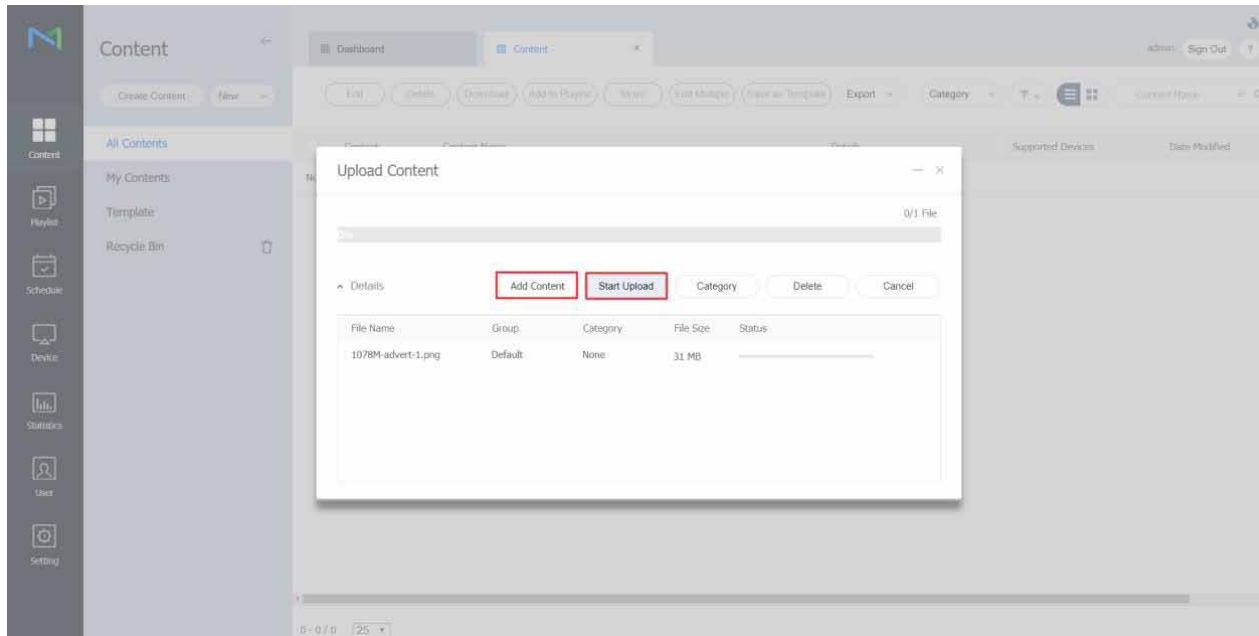

## Inhalt – 1 / 3

Laden Sie Inhalte hoch (→ „Upload Content“).

The screenshot displays the 'Content' management interface. On the left, a sidebar contains navigation icons for 'Content', 'Playlist', 'Schedule', and 'Device'. The main area shows a 'Content' page with a 'Create Content' button and a 'New' dropdown menu. The 'New' menu is open, showing options: 'Upload Content', 'Upload Web Content', 'FTP', 'CIFS', 'Streaming', and 'Web URL'. The 'Upload Content' option is highlighted with a red box. Below the menu, a table header is visible with columns: 'Content', 'Content Name', 'Details', 'Supported Devices', and 'Date Modified'. The top navigation bar includes 'Dashboard', 'Content', 'admin', and 'Sign Out'.

## Inhalt – 2 / 3

Fügen Sie Inhalte hinzu (→ „Add Content“), und beginnen Sie den Hochladevorgang (→ „Start Upload“).

## Inhalt – 3 / 3

Die Inhalte werden hochgeladen.

The screenshot displays the 'Content' management interface. A modal window titled 'Upload Content' is open, showing a progress bar for '1/1 File' at 100%. Below the progress bar, there are buttons for 'Add Content', 'Size', 'Category', 'Delete', and 'Close'. A table lists the uploaded file:

File Name	Group	Category	File Size	Status
1078M-advert-1.png	Default	None	31 MB	100%

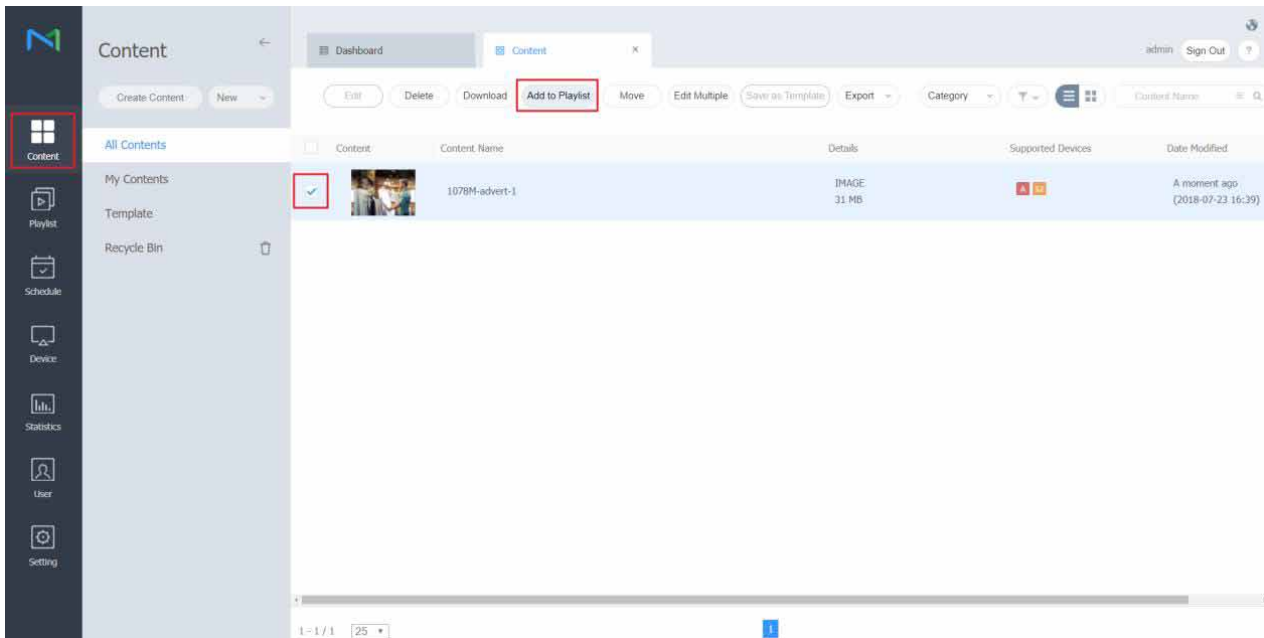

The background interface includes a sidebar with navigation options like 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'. The main content area shows a list of items with columns for 'Supported Devices' and 'Date Modified'.

# Wiedergabeliste

Wiedergabeliste erstellen

## Wiedergabeliste – 1 / 5

Wählen Sie die gewünschten Inhalte aus, indem Sie das zugehörige Kontrollkästchen aktivieren, und fügen Sie sie der Wiedergabeliste hinzu (→ „Add to Playlist“).

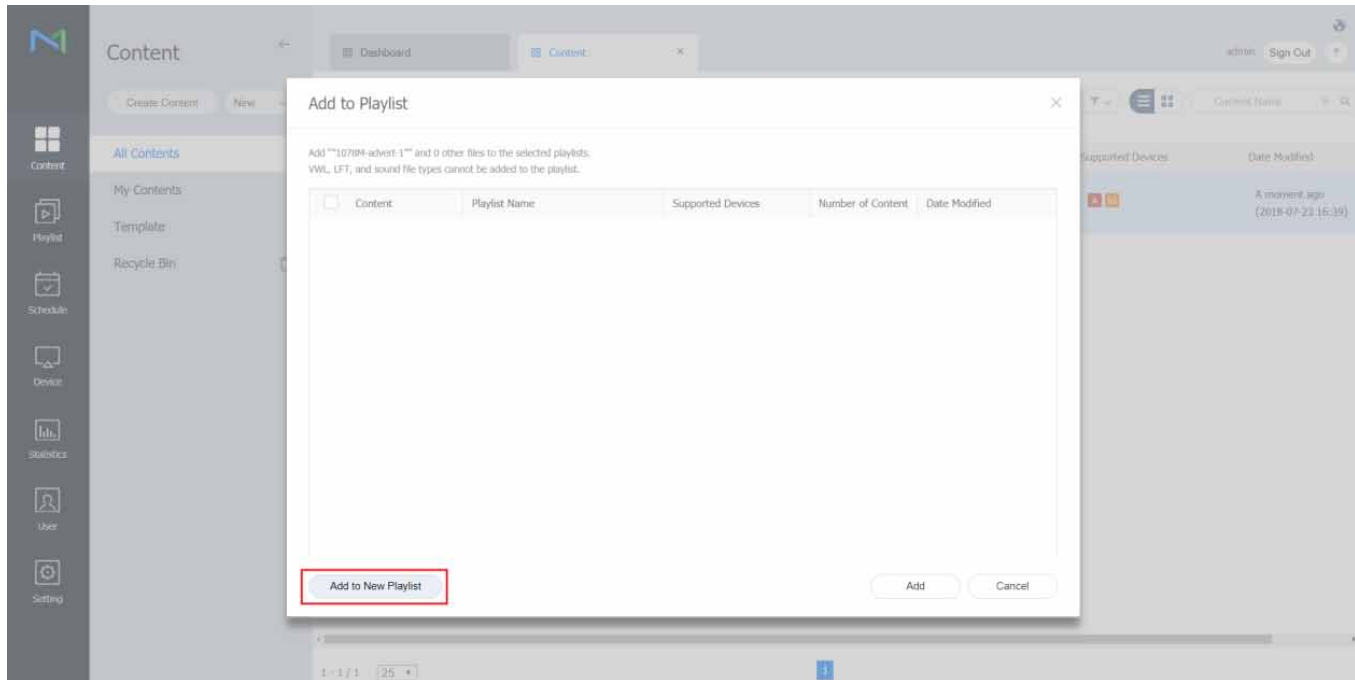

The screenshot displays the 'Content' management interface. On the left, a dark sidebar contains navigation icons for 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'. The 'Content' icon is highlighted with a red square. The main area shows a table of content items. The 'Add to Playlist' button in the top toolbar is also highlighted with a red square. The table contains one item: '1078M-advert-1', which is an image file (31 MB) modified 'A moment ago (2018-07-23 16:39)'. The checkbox for this item is checked, also highlighted with a red square.

Content	Content Name	Details	Supported Devices	Date Modified
<input checked="" type="checkbox"/>	1078M-advert-1	IMAGE 31 MB		A moment ago (2018-07-23 16:39)

## Wiedergabeliste – 2 / 5

In neue Wiedergabeliste hinzufügen (→ „Add to New Playlist“).

## Wiedergabeliste – 3 / 5

Wählen Sie „Android Player“ und „General“.

The screenshot shows a web application interface for content management. A 'New Playlist' dialog box is open in the center. The dialog has two dropdown menus: 'Supported Devices' and 'Playlist Type'. The 'Supported Devices' dropdown is set to 'Android Player' and the 'Playlist Type' dropdown is set to 'General'. Both dropdowns are highlighted with red boxes. At the bottom right of the dialog, there are two buttons: 'Create' and 'Cancel'. The 'Create' button is also highlighted with a red box. The background shows a table of content items with columns for 'Content Name', 'Details', 'Supported Devices', and 'Date Modified'. The 'Content Name' column shows '1078M-advert-1' and the 'Details' column shows 'IMAGE 11 MB'. The 'Supported Devices' column shows icons for Android and iOS. The 'Date Modified' column shows 'A moment ago (2018-07-23 16:39)'. The interface also includes a sidebar with navigation options like 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'.

## Wiedergabeliste – 4 / 5

Speichern Sie die Wiedergabeliste (→ „Save“).

The screenshot displays a web application interface for managing a playlist. The main window is titled 'Playlist' and has a navigation bar with 'Dashboard', 'Content', and 'New Playlist' tabs. A 'Save' button is highlighted with a red box in the top left. A 'Save' dialog box is open in the center, containing the following fields:

- Playlist Name: [New Playlist] 2019-07-23 16:41:28 (highlighted with a red box)
- Group: default (highlighted with a red box)
- Shuffle:  Off  On
- Share:  On  Off
- Description: (empty text area)

At the bottom of the dialog box, the 'Save' button is highlighted with a red box, and a 'Cancel' button is also visible. The background interface shows a sidebar with icons for Content, Playlist, Schedule, Device, Statistics, User, and Setting.

## Wiedergabeliste – 5 / 5

Eine Wiedergabeliste wird erstellt.

The screenshot displays the 'Playlist' management interface. On the left, a dark sidebar contains navigation icons for Content, Playlist (highlighted with a red box), Schedule, Device, Statistics, User, and Setting. The main area shows a 'Playlist' view with a '+ New Playlist' button. Below this, there are sections for 'All Playlists', 'My Playlist', and 'Recycle Bin'. A table lists the playlist details:

Content	Playlist Name	Details	Supported Devices
	[New Playlist] 2018-07-23 16:41:26	31 MB 00:00:05 General	

At the bottom of the interface, there is a pagination control showing '1 - 1 / 1' and a dropdown menu set to '25'. A blue square icon is visible in the bottom right corner of the interface.

# Zeitplan

Neuen Zeitplan hinzufügen

## Zeitplan – 1 / 8

Fügen Sie einen neuen Zeitplan hinzu (→ „New Schedule“), und wählen Sie „Content“.

The screenshot shows the 'Schedule' management interface. The left sidebar contains navigation icons for Content, Playlist, Schedule, Device, Statistics, User, and Setting. The 'Schedule' icon is highlighted with a red box. The main area shows a 'New Schedule' button, also highlighted with a red box. A dropdown menu is open, showing options: Content, Message, and Event. The 'Content' option is selected and highlighted with a red box. The main content area displays a table with columns: Schedule Name, Details, Supported Device Type, Device Group, Device Use, and Publish. The table is currently empty, showing 'No data available in table'.

## Zeitplan – 2 / 8

Wählen Sie „Android Player“ und dann „Create“.

The screenshot shows the 'Create Schedule' dialog box in the Idea software. The dialog has a title bar with 'Create Schedule' and a close button. Inside, there is a 'Supported Devices' section with a dropdown menu showing 'Android Player' selected and highlighted with a red box. Below it is a 'Schedule Type' section with a dropdown menu showing 'General'. At the bottom right of the dialog, there are two buttons: 'Create' and 'Cancel', with 'Create' highlighted by a red box. The background shows the 'Schedule' page with a table that is currently empty, displaying 'No data available in table'.

## Zeitplan – 3 / 8

Wählen Sie „Content“ und „Playlist“.

The screenshot shows the 'Create Schedule' interface. On the left sidebar, the 'Content' and 'Playlist' options are highlighted with red boxes. The main area displays a weekly calendar grid for July 22-28, 2018. The 'Content' and 'Playlist' options in the sidebar are highlighted with red boxes. The calendar grid shows a yellow highlight for Monday, July 23rd, from 06:00 to 18:00.

## Zeitplan - 4 / 8

Ziehen Sie die Wiedergabeliste in den Kalender.

The screenshot shows the 'Create Schedule' interface. On the left is a dark sidebar with navigation icons for Content, Playlist, Schedule, Device, Statistics, User, and Setting. The main area is titled 'Create Schedule' and contains a top navigation bar with tabs for Dashboard, Content, Playlist, All, and Create Schedule. Below the tabs are 'Save' and 'Cancel' buttons. The right side of the top bar shows the user 'admin', a 'Sign Out' button, and a search icon. A status bar at the top right indicates '[NEW Schedule] 2018-07-23 16:45:56 0 Byte'. The main area is a calendar for 'Jul 22 - 28, 2018'. The calendar grid shows days from Sunday to Saturday. The Monday column (23 Mon) is highlighted in yellow. A red arrow points from a 'New Playlist' thumbnail in the left sidebar to a video thumbnail in the 08:00 slot of the Monday column. The video thumbnail shows a group of people.

## Zeitplan – 5 / 8

Konfigurieren Sie den Zeitplan, und speichern Sie die Daten (→ „Save“).

The screenshot shows the 'Create Schedule' interface. A modal window is open with the following configuration:

- Content:** [New Playlist] 2018-07-23 16:41:26
- Playback Date:** 2018-07-23 (range: 2018-07-23 to 2099-12-31)
- Repeat:** Daily
- Playback Time:** 00:00:00 to 23:59:59 (checked for 24 hours)

The 'Save' button is highlighted with a red box. The background shows a calendar view for July 22-28, 2018, with a 'New Playlist' card on the left sidebar.

## Zeitplan – 6 / 8

Speichern Sie den Zeitplan (→ „Save“).

The screenshot displays the 'Create Schedule' interface. At the top, there are tabs for 'Dashboard', 'Content', 'Playlist', 'All', and 'Create Schedule'. A 'Save' button is highlighted with a red box. Below the tabs, there are navigation options for 'Jul 22 – 28, 2018' and 'Today', along with view options 'Daily', 'Weekly', 'Monthly', and 'List'. The main area shows a calendar grid with columns for each day from Sunday to Saturday. The time slots range from 00:00 to 12:00. A playlist is scheduled to start at 00:00 on Monday through Saturday. The playlist is titled '[New Playlist] 2018-07-23' and has a duration of 23:59. The 'Save' button is located at the top left of the main content area.

## Zeitplan - 7 / 8

Legen Sie die Daten für „Schedule Group“ und „Publish to“ fest, und speichern Sie die Daten (→ „Save“).

The screenshot displays the 'Create Schedule' interface. A 'Save' dialog box is open in the center, with the following fields and values:

- Schedule Name:** [NEW Schedule] 2018-07-23 18:45:56
- Schedule Group:** DefaultOrig - default
- Publish to:** default
- Description:** (empty text area)
- More Options:** (collapsed)
- Buttons:** Save, Cancel

The background interface shows a calendar view for July 22-28, 2018, with a 'New Channel 1' frame and a 'Frame' dropdown. The 'Save' button in the dialog is highlighted with a red box.

## Zeitplan – 8 / 8

Speichern Sie den Zeitplan (→ „Save“).

The screenshot displays the 'Schedule' management interface. The top navigation bar includes 'Dashboard', 'Content', 'Playlist', and 'All'. The left sidebar contains icons for 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'. The main content area shows a table of schedules. The table has the following columns: 'Schedule Name', 'Details', 'Supported Device Type', 'Device Group', 'Device Use', and 'Publish Status'. A single schedule entry is shown with the following details:

Schedule Name	Details	Supported Device Type	Device Group	Device Use	Publish Status
[NEW Schedule] 2018-07-23 16:45:56	1 General	General	default	1	Published

The 'Published' status in the table is highlighted with a red box. At the bottom of the interface, a status bar shows '1 - 1 / 1' items and '100%' completion.

# Gerät

Gerätedaten überprüfen

## Gerät - 1 / 2

Klicken Sie auf das Gerät.

The screenshot shows the 'Device' management interface. The left sidebar contains a navigation menu with the 'Device' icon highlighted in red. The main content area features a table with the following data:

Information	Time	Setup	Display Control	Security	
Device Name	MAC Address	IP	Device Model Name	Applied Version	Approval Date
XDS-1078M	2c-c5-48-00-91-74	192.168.1.214	XDS-1078	V1.0 NA-MIAP-1001.0	2018-07-23 16:14

## Gerät - 2 / 2

Geräteinfo („Device Info.“) und momentan wiedergegebene Inhalte („Now Playing Content“) können hier überprüft werden.

The screenshot displays the 'Device' management interface in the Idea software. A modal window titled 'XDS-1078M' is open, showing details for a specific device. The modal has a tabbed interface with 'Device Info.' selected. It includes a video player for 'Ch.1' with a 'Screen Capture' checkbox. Below the video, a table lists device specifications:

Property	Value
Schedule	[NEW Schedule] 2018-07-23 16:45:56
Content	
Message	-
Device Type	ANDROID PLAYER
Group	DefaultOrg > default
MAC Address	2c:c5-48-00-91-74
Firmware Version	V1.0 NA-MIAP-1001.0
Available Capacity	6.43 GB
IP	192.168.1.214
Device Model Name	XDS-1078

At the bottom of the modal, there are buttons for 'Memo', 'Edit', 'Remote Control', and 'Close'. The background interface shows a sidebar with navigation options like 'Content', 'Playlist', 'Schedule', 'Device', 'Statistics', 'User', and 'Setting'. The top navigation bar includes 'Dashboard', 'Content', 'Playlist', 'All', and 'Device' tabs, along with a user profile 'admin' and a 'Sign Out' button.

# Vielen Dank.
